### ADA Accommodations

Montgomery County Government is committed to complying with the Americans with Disabilities Act (ADA). As a result, children and teens with disabilities may register for the most appropriate programs for their age, needs, and skill level. There are two options: Therapeutic Recreation camps specifically designed for individuals with disabilities or inclusion in general recreation programs.

If your child needs auxiliary aids or services in order to participate (such as a companion, ASL or cued speech interpreter, or large print), or if your child has a 504 plan or IEP at school, please call a Therapeutic Recreation Specialist to discuss your child's needs (240-777-4925).

If your child has a Special Education placement at school, a volunteer companion to work one-on-one may enhance his or her experience at camp. Since placements are limited, *registration and requests for companions must be made at least 3 weeks before the start of the program.* Companions may not be available every session.

### Camp Project Discovery

## Counselor in Training Program

The Counselor-in Training (CIT) position is part of a leadership training program that provides an opportunity to develop leadership and recreation skills while providing program support. Working as a general recreation assistant at Summer Camps and Summer Fun Centers, a CIT supports all the planned program activities on site as well as any regularly scheduled off site activities such as swimming and field trips. This position involves working directly with children by helping them to enjoy and feel successful in each activity. It is a responsible position that requires a serious commitment and a cooperative attitude towards other CITs and staff. A successful CIT needs to be sensitive to the needs of the children and demonstrate dependability and maturity at all times. A CIT may be asked to assist with a child with special needs. NOTE: Registration begins on March 8, 2010. Leadership Training attendance is a pre-requisite for registering for these courses. See listings on previous column..

### On Site Camps

Each Extended Camp lists the camps that operate at the same location and therefore require no transportation.

Note: No midday transportation is provided and camp will not meet on Friday, July 3.

### Bus Transportation

Buses that transport campers to and from a number of camp selections are listed for each Extended Camp. Choose a camp that is linked to the Extended Camp of your choice. Bus Transportation is free, but registration is required for your child's safety.

### Bus Code

Be sure to include the correct bus code on the registration form for both AM and PM, if that's what you need. Bus pick-up and drop-off times will be included in the parent packet sent to you in June; or you may find it online when it is posted at [montgomerycountymd.gov/rec](http://montgomerycountymd.gov/rec) in May.
